

ALUMNI **CONNECT**

“

Networking is not collecting contacts, it is about planting relations.

”

PROUDLY PRESENTS

## INDUSTRY

*Networking*

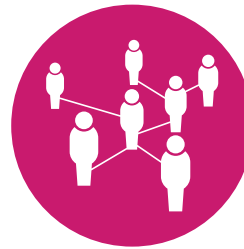

Our industry networking events allow all members to connect with industry peers, with a goal to connect and grow both business and career opportunities.

### INDUSTRY BOUTIQUE LUNCH SERIES

Our Boutique Lunch Series offer alumni the chance to meet with industry leaders in a small, boardroom style lunch setting. Hear from leaders in your field of interest and be given the opportunity to ask specific questions in a bespoke and intimate setting.

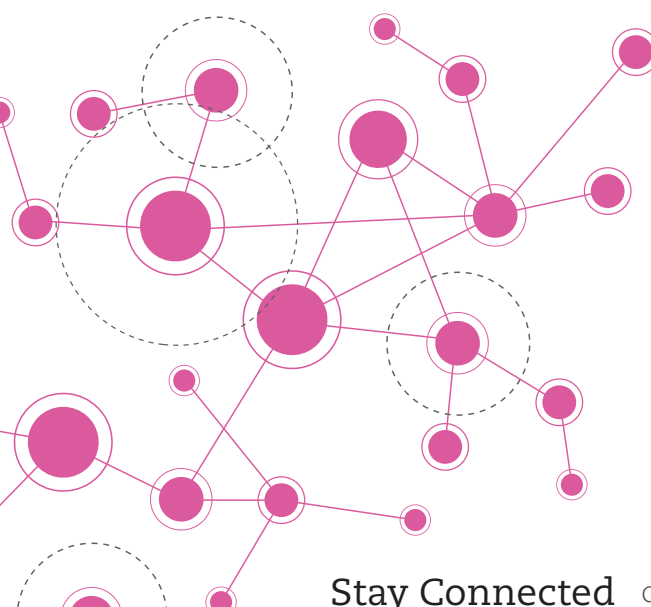

Places are limited for our Boutique Series so early bookings are advised.

### INDUSTRY NETWORK NIGHTS

Industry Network Nights are traditional networking opportunities based on your industry of interest.

All levels of experience attend our networking nights with many alumni progressing connections to mentor relationships. From young alumni entering the industry to experienced executive level members, all are welcome at this event.

## THE POWER OF **in**

LinkedIn is fast becoming the must have business tool for all professionals. With business cards a thing of the past, your LinkedIn profile can often be all you need. Our events will show you how to connect Haileybury to your profile and open up a robust directory to search and connect with fellow alumni like never before.
